Date of Report
12 December 2013

On 22 July 2013, the Investigating Sergeant was assigned Complaint Log No. 1063626 for investigation. It was alleged that the accused Officer CELANI placed his fingers into the buttocks of victims [REDACTED] and [REDACTED] while performing a search of their persons during a narcotic's investigation.

On 26 July 2013, the Investigating Sergeant began attempts to locate [REDACTED] and [REDACTED] to continue the investigation (Attachment 11- 12).

On 21 August 2013, after several attempts [REDACTED] was located, signed a sworn affidavit and completed a statement [REDACTED] related in his statement that listed witness to his allegation, [REDACTED] was arrested at that date/time/location. [REDACTED] also related that the accused put something on his hands (like a liquid or lotion), then without gloves, the accused placed his fingers into [REDACTED] butt hole. [REDACTED] also related that nothing like this had ever happened to him before, and related that he [REDACTED] had been arrested and sent to Cook County Jail several times and had been incarcerated in I.D.O.C. Statesville Prison for three months. [REDACTED] also related he had not been injured, did not seek medical treatment nor had any physical documentation of the allegation. [REDACTED] was allowed to review his statement and add any additional information and then sign the statement, but did not relate any statement as to witnessing a similar search of [REDACTED] at the time of the stop on the street. (Attachment 13).

On 08 October 2013, the accused Officer CELANI and witness CPD Officer HUBBARD appeared at the Bureau of Internal Affairs for a written statement concerning the allegation by [REDACTED]. Both officers related in essence substantially the same account of the stop and arrest, and both related that at no time did either [REDACTED] or [REDACTED] make any allegation or comment of improper search by CELANI during the investigation or arrest processing. (Attachments 18-19).

On 17 October 2013, the Investigating Sergeant received a self handwritten statement and a signed affidavit from [REDACTED] which revealed [REDACTED] was making the same allegation of having the accused Officer CELANI place his fingers into [REDACTED] anal area. [REDACTED] statement related that Officer CELANI, while in the street, in clear daylight and handcuffed to victim [REDACTED] accused Officer CELANI, placed gloves onto his hands, pulled down [REDACTED] outer pants and then underwear, exposing [REDACTED] genitals, and then CELANI placed his fingers into the anus of [REDACTED]. [REDACTED] statement contained no information as to any injury sustained; any evidence or documentation obtained the date of this allegation, and did not seek medical examination for this allegation. (attachment 16).

Date of Report
12 December 2013

On 14 November 2013, accused Officer CELANI appeared at the Bureau of Internal Affairs for a written statement concerning the allegation of [REDACTED]. A witness To-From Report was obtained from CPD witness [REDACTED]. Both statements in essence substantially related the same account of this allegation related to [REDACTED] and these statements were in essence substantially consistent with the statements obtained from the Officers in the [REDACTED] allegation (Attachments 22-23).

The Investigating Sergeant researched the police vehicle identified as being utilized by the accused the date of the allegation and investigation revealed the CPD vehicle #1776 is not camera equipped (attachment10).

The Investigating Sergeant has examined and reviewed all documents received concerning these allegations. Based on the inconsistent accounts in the statements of [REDACTED] and [REDACTED] as to the method of search and the lack of an uninvolved independent witness, the Investigating Sergeant has determined that there is not sufficient evidence at this time to for a definitive finding as to the allegation having occurred, and conclude that the allegations against accused Officer CELANI # 3317 are **NOT SUSTAINED**.
